Commissioner for Patents

The information disclosure statement filed 5/26/06 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each prior art listed. It has been placed in the application file, but the information referred to therein has not been considered. Applicant is requested to supply explanation of the relevance for each prior art cited, especially Kwok et al. since it contains more than 50 pages. Also when responding to the office action, Applicant is advised to clearly point out the patentable novelty which he or she thinks the claims present in view of the state of the art disclosed by the references cited.

Enclosed PTO 1449 cited on 5/26/06.
